

Are you Retired or Semi-Retired looking for meaningful volunteer opportunities but not sure where and how to begin? Come check out Catholic Charities, **Give & Receive Club**, designed to help you find just the right fit.

- The Give & Receive Club will start in April 2023.
- Aimed at engaging new retirees.
- Will allow members to *serve at each of our 10 local service sites* at least once throughout the year.
- By joining this group, you will *never have to serve alone*, but alongside others who are in a similar stage of life.
- Focus will be on *building community* through service.
- *Share experiences* such as Mass, coffee klatches, and sharing reflections on volunteering.
- The goal of Give and Receive is that members will *possibly find permanent volunteer placements* at one of Catholic Charities' program sites.
- Opportunity to *learn more about how our agency supports the needs of our community*.
