As a Catholic organization, we promote the life and dignity of all persons at all stages of life.

Since 1912, Catholic Charities has affirmed the dignity of every person, partnering with parishes and the greater community to serve and advocate for those who are vulnerable, bringing stability and hope to people throughout Eastern Washington.

Rooted in this mission, our legacy of service to our most vulnerable neighbors, regardless of religious affiliation, continually builds a foundation of stability, health and hope.

We herald Christ’s love for all by engaging each person respectfully and compassionately. We accompany them with dignity and love on their individual journey through poverty, addiction and illness.

Responding to Christ’s love, we envision a community where children born into poverty can thrive as adults, where all people live with the dignity of a roof over their heads and where the voiceless can speak and be heard.

We collaborate with partners in business, government, church and nonprofit fields to solve community problems. We pioneer innovative programs to inspire action and hope among our clients. At all times, we commit steadfastly to the dignity of every person at all stages of life.
RESPONDING TO CRISIS

to ease the suffering of individuals and families who
have been affected by disaster, who are experiencing
homelessness or who are healing from trauma or
addiction.

STABILIZING LIVES

by providing affordable apartments to the elderly,
people living with disabilities and those who have
experienced homelessness; helping with household
chores and transportation to allow the elderly and
people living with disabilities to remain in their
homes; and providing free produce and farmers
market vouchers so children and low-income
seniors have access to healthy food.

ADVOCATING IN HOPE

to help people make progress in their own lives. We
provide services that assist parents and children,
migrants and people living with mental illness to live
out more completely their identities as people made in
the image and likeness of God.
