THE WAITING LIST

Applicants are chosen off our waiting list in chronological order based on the date / time their submitted application was received, processed and determined eligible in accordance with the criteria associated with this property. Once you have been placed on the waiting list it will be important that you update us with any changes in your household, such as your address, phone number, household size, members or income. We may send you an application status update letter (at your last known address), when needed, asking for your continued interest in

remaining on our waiting list. If we do not hear back from you within the requested time frame, we may have to remove your name from our waiting list, so please keep us informed of changes.

WHEN AN APARTMENT COMES AVAILABLE:

At the time a unit becomes available it is our policy to generate a waiting list report showing the eligible applicants which will be contacted in order starting at the top. If we have trouble getting hold of you, we may skip over you or remove your application based on our policies in our Tenant Selection Plan.

Once you have been contacted by the manager and have accepted a unit an appointment must be schedule with management within 3 business days. All adults and juveniles 17+ expected to reside in the unit must participate in all appointments and must sign releases and documents required by funders and management. During the initial appointment a full rental application must be completed for each adult member and begin the background screening and start the certification process to verify all income/assets and expenses and provide any additional funder requirements and restrictions that may affect your qualification, such as student status and at some properties citizenship review.

Background screenings will be performed on all adult members to determine such things as acceptable prior rental and criminal history, public records and credit history (poor credit history is not a major factor in application review). The property (not the applicant) will pay the cost of the screening. If you are denied based on our screening criteria you will be notified in writing and given the option to appeal the decision.

Please bring to this appointment the following items: Age Verification-Adults must provide current photo identification. Minors must provide a valid birth certificate. Social Security Verification-ALL members, who possess a valid card, must provide proof. Members who do not have a card must complete an identity verification form. Income-ALL members must provide proof of current and potentially anticipated income over the next 12 months. Assets-ALL assets must be claimed no matter the current balance/value. Assets that total 5K or more must obtain written 3rd party verification. Banking assets must provide two consecutive months of most recent bank statements. Other verification or eligibility items: may include but are not limited to: Student Status of all household members, Homeless Status, Disabled Status, etc. If applicable, units that provide subsidy through a Project-Based or Tenant-Based Voucher require additional documentation and verification that will be sent to and processed by the Housing Authority. We may ask you to bring additional documents with you or need to conduct a follow up appointment during this process. A final decision regarding eligibility will not be made until all of the above information has been received, verified and reviewed. Once you have passed our final screening requirements, and an apartment is available that meets your needs and requirements you will be notified to start the move-in process.

THE MOVE-IN

When we have accepted you as a new tenant and if applicable your household has completed the Housing Authority 'briefing' and the unit has passed inspection for a voucher, a date for moving into your new apartment will be set and the manager will be able to provide your rent amount at this time. Payment of a full security deposit will be required at this time. If your move in date is other than the 1st of the month, your rent will be pro-rated for that month only. You will need to accompany the manager to conduct a walk-thru move-in inspection of your new apartment, once completed you will need to sign the inspection accepting the condition of the unit. All adults will be required to sign a lease, house rules, household eligibility certification and other property policies and addendums, then you will receive the keys to your unit.

If you have any questions regarding completing the application, about the disposition of your application or about the property or regulations, or would like a copy of our Tenant Selection Plan, please do not hesitate to call us.

Sincerely,

Property Manager
