# 2022 Report to the Community

# A letter from the President & CEO

Dear friends,

2022 was another exciting year at Catholic Charities! We served over 55,000 individuals including children, families, veterans, and seniors. We continue to serve using our four core values of Respect, Compassion, Collaboration and Justice.

In May, we hosted our annual Gala that welcomed over 600 guests who celebrated our services, supported us with their volunteerism and monetary gifts, and helped honored individuals who are great stewards of our work!

In December, we opened the Catalyst, an emergency supportive housing program that provides safe, private, dignified spaces to both men and women where they may temporarily live while taking steps to exit homelessness.

We continue to provide essential services through our 15 programs that promote life and dignity throughout the thirteen counties of Eastern Washington, giving hope to our most vulnerable brothers and sisters.

I want to thank every one of you for your prayers, volunteerism, and donations that have continued to support our work serving our neighbors. We could not do our work without YOU and your amazing support!

Blessings,

Rob McCann  
President & CEO
