

# Gala

**Feed the hungry, heal the hurting, welcome the stranger.**

Dear Partner,

**Walk With Us**, will be the theme of our 16th annual Catholic Charities Gala on Friday, May 10, 2024, at the Davenport Grand. We invite you to walk with us as a key partner in helping to bring hope and stability to the lives of the individuals we serve.

Your commitment as a partner will help make our Gala a true success. More importantly, with your support, you will stand with our agency in the important work we do to help our community. For many years, the Catholic Charities Gala has been completely sold out and has firmly solidified itself as one of the premiere events in Spokane.

All the favorite elements of the Gala will be present again this year: socializing with friends, excellent food, special presentations about Catholic Charities, and the awarding of great stewards. A festive mood will lift guest's spirits as they experience what Catholic Charities loves to provide – the opportunity to have an enjoyable time while also raising awareness and funding for the 16 programs of Catholic Charities Eastern Washington.

Please review our Partnership Levels on the back of this packet and contact Ann Marie at (509) 358-4266 or [annmarie.byrd@cceasternwa.org](mailto:annmarie.byrd@cceasternwa.org) with any questions. We look forward to having you partner and **Walk with Us!**

Many prayers,

Rob McCann

# 2023 Partnership Impact

**In 2023, your partnership made an impact in the lives of over 55k people in our community:**

- *Food For All* delivered **37,000 lbs** of nutritious produce
- *Rising Strong* reunified **23 children** with their families
- *House of Charity* served over **120,000 meals**
- **771** people were able to move their family into a permanent home

## Your Partnership Matters

The Gala celebrates the work of our programs and honors individuals who have significantly impacted the lives of the people we serve each and every day. We will host the evening's program in front of a sold-out audience of well-connected community supporters and business leaders who are choosing to walk alongside the individuals and families we serve.
