Feed the Hungry, Heal the Hurting, Welcome the Stranger

Dear Partner,

Our 28th Annual Catholic Charities GALA is Friday, May 8, 2026!

This amazing event is a time to socialize with friends, eat a delicious dinner and enjoy our presentations and awards, highlighting great stewards of our mission. It is also a time to celebrate our partners, donors, supporters, volunteers and staff in our mission to Feed the Hungry, Heal the Hurting and Welcome the Stranger.

Please review our 2026 Partnership Levels. With your support you will stand with our agency in the valuable work we do to bring hope and stability to our most vulnerable brothers and sisters. Your commitment as a partner will help make our Gala a true success!

We look forward to celebrating with you while also raising awareness and vital funding for our 15 programs.

If you are interested in partnering again this year or are a new partner, please contact Ann Marie Byrd at (509)-358-4266 or annmarie.byrd@cceasternwa.org.

We look forward to having YOU partner with us!

Your Partnership Matters

The Gala celebrates the work of our programs and honors individuals who have significantly impacted the lives of the people we serve each day. We will host the evening's program in front of a sold-out audience of well-connected community supporters and business leaders who are choosing to walk alongside the individuals and families we serve.
